A NORTH CAROLINA TRAGEDY

**A Desperado Resists Arrest and
is Killed by a Sheriff.**

Jesse Bunn, a Notorious White Man, Es-
caped From Jail by Filing the Bars,
and Swore He Would Kill Any Officer
Attempting His Arrest—Sheriff Scott
Met Him and Had to Shoot Him.

RALEIGH, N. C., Nov. 25.—A special
to the News and Observer from Golds-
boro says: At the September term of
Wayne county superior court Jesse W.
Bunn, a notorious white man, widely
known and feared throughout the
county, was convicted of a criminal
offense of an incestuous nature and
sentenced to twelve months imprisonment.
Soon after his son visited him in jail
and conveyed to him a file. Within a
few days thereafter, and when only
about ten days in jail, Bunn fled his
way out and made good his escape car-
rying another prisoner with him.
Sheriff Scott made several attempts
to surround Bunn with a posse, but
without effect. Bunn swore that he
would kill any officer who should try to
arrest him. Yesterday the sheriff drove
out near Bunn's home, and soon saw his
man driving along the road with his
wife and son. Sheriff Scott called to
him to surrender, but his only reply was
a persistent effort to get his gun levelled
on the officer, who, from his buggy,
calmly watched the gun of Bunn as it
came on to a deadly aim, and then the
sheriff fired.

Bunn returned the fire, and then
dropping his gun grabbed his pistol, but
fell back dead before he could use it,
the pistol falling from his hand in the
road some thirty feet from where the
gun fell. Bunn's feet, in falling, got
caught in the springs of the road cart
and his body hung dangling head down-
ward. The sheriff was to-day fully ex-
onerated by the coroner's jury.

Shot His Wife and Himself.

CLEVELAND, Ohio, Nov. 25.—Bushrod
Kelch for several years has done little
but drink whiskey and loiter about
saloons. A few weeks ago his wife
obtained a divorce from him. This after-
noon, while drunk, he met his wife on
the street, and shot her in the temple.
He then shot himself in the head. Mrs.
Kelch died at the hospital, and Kelch
will probably recover.

A Youthful Murderer's Story.

ALLIANCE, Ogn., Nov. 25.—Lloyd
Montgomery, the 18-year-old boy ac-
cused of murdering his father and
mother and D. B. McKercher, has made
a statement to the effect that the latter
killed his father and mother and that
he then killed McKercher. The police
do not believe this story and say they
expect Montgomery to make a confes-
sion, admitting that he committed all of
the murders.

Heavy Snow in the Southwest.

KANSAS CITY, Mo., Nov. 25.—Snow is
falling hard, and at some points traffic
will probably be interfered with if the
storm continues. Specials from Hayes
City, Coffeyville and Independence,
Kansas, say the storm has almost
reached the dimensions of a blizzard.
At Guthrie, Oklahoma, one of the hard-
est snowstorms ever known there is pre-
vailling.

Breckenridge Will Run for Congress.

LOUISVILLE, Nov. 25.—A special to the
Post, from Frankfort, says: Col. W. C.
P. Breckenridge, of Lexington, it is now
understood, will make the race for Con-
gress in the seventh district next year.
It is said that he has told his friends
that he will make the race and that he
expects to win. During the late cam-
paign Col. Breckenridge stumped the
district for the Democratic State ticket
and everywhere drew immense crowds.

Hannigan Committed to the Asylum.

NEW YORK, Nov. 25.—David F. Han-
nigan, who was acquitted last Thursday
night of the murder of Solomon H.
Mann, on the ground of insanity, was
brought before Justice Ingraham to-
day. The court denied the motion of
counsel for defense to discharge Han-
nigan and committed him to the State
asylum for the insane at Poughkeepsie.
He will be examined in the regular way
by the asylum physicians and if pro-
nounced sane his discharge will follow.

Still Talking About a Fight.

GALVESTON, Texas, Nov. 25.—Mar-
tinez Julian said last night: "There will
be a fight January 10 either between
Corbett and Fitzsimmons or Maher and
Fitzsimmons, and it will take place
three and one-half miles from El Paso.
Stuart leaves Dallas to-day for New
York, where he will sign Corbett or
Maher."

Insurgents Win a Big Battle.

NEW YORK, Nov. 25.—The Cuban Junta
to-night gives out the news of a fierce
battle in Cuba between 10,000 Spaniards
and 7,500 Cubans, in which the Cubans
were entirely victorious. The news was
suppressed by Spanish authorities in
Cuba.

A Snowstorm in Texas.

ST. LOUIS, Mo., Nov. 25.—A telegram
from Sherman, Texas, says a blinding
snowstorm raged there since 9:30 a. m.
and increases in force. The tempera-
ture is falling and live stock in this
section is in bad shape. Heavy losses
are expected. It is snowing two hun-
dred miles south of here.

Palmer Defeats Plimmer.

LONDON, Nov. 25.—Before the Na-
tional Sporting Club to-night "Pedlar"
Palmer defeated Billy Plimmer in the
contest for the 112 pound championship
of the world, the battle lasting fourteen
rounds.

A French Writer Dead.

PARIS, Nov. 25.—Arthur Arnould, the
French litterateur, and formerly a mem-
ber of the Commune, is dead. He was
born April 17, 1833. He was the author
of a number of books.

A FATHER'S TERRIBLE CRIME.

**Herman Hattenhaft Kills His Children
and Himself.**

NEW YORK, Nov. 25.—Herman Hat-
tenhaft, physical instructor, killed his
two children and himself in Brooklyn
yesterday. He lived in Greene avenue
with his wife and two children, the lat-
ter very young. He went out in the
afternoon, taking the children with
him. When he had not returned at
midnight his wife started out to look for
the three.

The doors of the gymnasium where
Hattenhaft was employed were found
locked and were battered in by the
police. They found father and children
lying dead. The two children had been
shot and killed by their father, who
then shot himself.

The bodies were cold, and the pre-
sumption is the triple tragedy occurred
during the afternoon. Hattenhaft had
been despondent for some time, prob-
ably because of business troubles.
Twelve years ago he was a pugilist and
was well known in Brooklyn as an ath-
lete. He was at one time instructor in
the Brooklyn Athletic Club.

The bodies of the two children were
found in a closet used for vapor baths,
where the little ones had been playing
while living, probably having been first
made insensible with chloroform. Into
a box a tube connecting with the gas
pipe was inserted. The children had
died of asphyxiation. The wife and
mother is so prostrated with the grief
that it is feared she cannot recover.

In intervals between fainting spells
Mrs. Hattenhaft said that there had
been no difficulty between herself and
her husband, and that she thought he
must have become temporarily deranged
over business troubles, of which she had
heard him speak on several occasions.
So far as she knows, however, he had
never threatened to take his life or do
bodily harm to any member of the fam-
ily. Hattenhaft, although an ex-pugil-
ist, bore a good name.

McKINLEY FOR PRESIDENT.

Senator Thurston, of Nebraska, Says He Is
Solid in the West.

NEW YORK, Nov. 25.—Senator John
M. Thurston, of Nebraska, is at the
Fifth Avenue Hotel. In an interview
to-day he said: "The Republicans of
Nebraska are for McKinley for the next
Presidential candidate first, last and all
the time. The strength of the Ohio man
in the West comes from the fact that
the working people believe in him.
They know that under the McKinley
law they were getting more pay than
they are getting now. Business
was, generally speaking, better. They
are satisfied that McKinley had some-
thing to do with it, and they want to
vote for him for President."

"Do you think that the Republicans
will be able to organize the United
States Senate at the coming session?"
The Senator was asked.

"Yes," he replied. "I believe we will
be strong enough to assume control. I
have been in Washington for a week
and can say at the opening of the Sen-
ate the Republicans will start and re-
organize that body. I believe that all
of the Populist members will vote with
the Republicans this session."

Catholics and Protestants Differ.

MONTREAL, Que., Nov. 25.—The case
of the Canada Revue against Arch-
bishop Faber for \$50,000 damages
through putting the paper under the
ban of the church came up for judg-
ment in the court of review this morn-
ing. Judges Tait, Taschereau and
Archibald presided. The two former,
both Catholics, were unanimous in de-
claring that the bishop had the right to
condemn any paper that spoke con-
trary to the teachings of the Catholic
Church. Judge Archibald, a Protestant,
dissented and gave the Canada Revue
\$10,000 on the grounds that the bishop's
action was unjustifiable interference.
An appeal will be taken.

Alexandria County Gamblers Sentenced.

ALEXANDRIA, Nov. 25.—In the county
court this morning the cases against the
Heaths for setting up and running a
gambling house were disposed of. Jack
Heath, Sr., was discharged, Charles
Heath was fined \$100 and sentenced to
two months in jail, and Ed Heath,
though not present in court, was given
the same sentence. The other men who
were implicated in the recent raid were
fined \$50 each and sentenced to serve
ten days in the county jail. The sen-
tences imposed are far below the limit
set by law, and as Governor O'Ferrall
had given it out that he would see
that the accused got the full limit, there is
a probability that the cases may be re-
opened.

Marylanders Going to Atlanta.

BALTIMORE, Nov. 25.—The Maryland
delegation to the Atlanta exposition
will leave here over the Seaboard Air
Line Wednesday evening to participate
in the Maryland day exercises, Decem-
ber 6. The party will comprise the
governor and his staff, the mayor and
city council of Baltimore, and members
of the Merchants and Manufacturers'
Association of Baltimore, with a mili-
tary escort of over 1,000 men. They
will go by boat to Portsmouth, Va.,
where they will take four special trains
of Pullman cars over the Seaboard Air
Line. Most of the delegation will leave
Atlanta on their return trip on Sat-
urday night. It is intended to make the
return trip a fine demonstration of
Maryland's development in the South.

A Leper Discovered in New York.

NEW YORK, Nov. 25.—A leper, in
whom the disease was well advanced,
was found in the streets to-day. He was
taken to the office of the health board
and examined by Dr. C. F. Benedict, of
the bureau of contagious diseases. Dr.
Benedict ordered the man sent to the
Reception Hospital. The man said he
was Pito Dalbo and that he came here
several months ago. Lately he has
been living in the tenement, 33 Cherry
street.

MANHATTAN DAY AT ATLANTA

**Grand Parade From the City to
the Exposition Grounds.**

Thousands Greet Mayor Strong and
President Low, of New York—The
Occasion One of the Most Brilliant
of the Exposition—The Distinguished
Visitors Make Patriotic Addresses and
Praise Atlanta's Enterprise.

ATLANTA, Ga., Nov. 25.—Although
the morning opened in gloom, the clouds
soon lifted and before noon New York
day had recorded itself as one of the
most brilliant of the many elaborate
occasions that have been celebrated in
Atlanta since the Cotton States and In-
ternational Exposition opened. The
formalities began with the massing of
the Governor's Horse Guard of Atlanta,
the Gate City Guard of Atlanta and a
squadron of the New York troops at the
Aragon Hotel to escort Mayor Strong
and President Seth Low, the orator of
the day, to the Exposition grounds.

The pageant as it moved out Peach-
tree street between lines of admiring
Atlantians, was a brilliant one and
evoked enthusiastic cheers along the
route. Inside the grounds several
thousand people were assembled to
welcome the cavalcade which moved
from the main entrance to the New
York building, where the exercises of
the day occurred. In the Empire State
building the ceremonies were opened
with prayer by Dr. D. H. Parker Mor-
gan, chaplain of Squadron A. Brief
welcoming speeches were then made by
Mayor King, of Atlanta, and President
Collier, of the Exposition, after which
Mayor Strong, of New York, spoke.

The mayor began by calling attention
to the significance of the day which was
the same as the anniversary of the low-
ering of the British flag over Gotham,
long celebrated in New York as "Man-
hattan Day." He told his hearers that
the heart of every member of every
financial institution in the city of New
York beats in sympathy with the little
colony of New Yorkers here to-day and
"sends greetings to you for the magnifi-
cent enterprise that you, the people of
Atlanta have originated and brought to
such magnificent culmination."

"On this day, too, every merchant of
the city of New York, and her citizens
generally, join in celebrating with the
citizens of Atlanta and the citizens of
the cotton States, and through us they
tender to you their joyous greetings
and bid you God speed in your great
work. Hereafter whatever transpires
either in your locality or ours must
have such a common interest that we
can all acknowledge it as if it were our
own. Our political and geographical
advancement must hereafter be, in fact
as well as in name, that of States and
not of sections. We have learned from
actual observation the story of your ma-
terial progress. Let us hope that from
a manly clasping of hands, a straight
look into each other's common heart-
beat, we demonstrate a common pride in
a common country, and more than all a
sentiment which makes us friends and
brethren."

President Seth Low, of Columbia,
next delivered the oration of the day.
In concluding his address Mr. Low said:
"Heartily New York wishes that there
may be no end to the prosperity of the
South, for she is sure that your pros-
perity is the prosperity of the entire
country and that your advance in civil-
ization, whether in the domain of in-
dustry or of education, are equally her
own advances."

Hancock's Remains to be Removed.

WASHINGTON, Nov. 25.—It has been
decided that the body of Major General
Winfield S. Hancock will be removed
to the National Military Cemetery from
Norristown, Pa., where it has rested
since 1886. None of the projects to
erect a monument at Norristown have
succeeded and the walls of the tomb
there are said to be crumbling because
made of an inferior quality of sand-
stone. Consequently the committee of
the Second Army Corps, which has the
matter in charge, has succeeded in
securing the consent of members of the
family to the removal. It is planned to
have the burial in Arlington take place
next spring, when a monument to Gen-
eral Hancock on one of the public
squares will be dedicated with military
ceremonies.

Eloquent Tribute to Justice Jackson.

WASHINGTON, Nov. 25.—Attorney
General Harmon to-day presented to
the supreme court the resolution of
respect to the late Justice Howell E.
Jackson, of Tennessee, adopted by the
bar of the court. The attorney general
paid an eloquent tribute to the dead
jurist. Chief Justice Fuller responded
in behalf of the court and the resolu-
tions were ordered spread on the
minutes.

Interest Will Cease January 1.

WASHINGTON, Nov. 25.—A circular
was to-day issued by the Secretary of
the Treasury giving notice that United
States 6 per cent. bonds of the face
value of \$3,680,000, and commonly known
as "currency notes," become due on the
first day of January, 1896, and that in-
terest on said bonds will cease on that
day.

Would-be Train Wrecker Caught.

LOUISVILLE, Ky., Nov. 25.—A special
to the Times from Paducah, Ky., says:
A negro tramp was caught trying to
wreck a train near Calvert City and
pursued into the woods, where he was
overaken and riddled with bullets and
then hanged to a tree. The locality is
surrounded by a wilderness. The name
of the victim is unknown.

Grover Will Get a Turkey.

WESTLEY, R. I., Nov. 25.—Horace
Vose, whose custom it is to send a
turkey to the President of the United
States before Thanksgiving, this morn-
ing shipped one weighing thirty-four
pounds to President Cleveland.

A SENSATIONAL STATEMENT.

**A Missouri Divine Says Minister Terrell is
a Mohammedan.**

ST. JOSEPH, Mo., Nov. 25.—A special
to the Daily News from Jefferson City,
Mo., says: Rev. J. T. M. Johnston, D.
D., pastor of the First Baptist Church
of this city, who has just returned from
a three month tour in Turkey and the
Holy Land, last night, in a sermon on
the Armenian troubles, made the sensa-
tional statement that American Min-
ister Terrell ought to be hanged.

He declares that the minister to Tur-
key has joined the Mohammedan Church,
and is aiding in the persecution
and killing of Christians instead of pro-
tecting them; that the situation is far
worse than has been reported to the
papers, and that Terrell prevents true
reports from being sent out, sending out
false reports himself. Rev. Johnston
and his entire party of thirty-four mem-
bers have signed a petition to President
Cleveland begging him to remove Ter-
rell.

CORBETT AGAIN TALKS.

**He Gave Maher the Championship Be-
cause He is an Irishman.**

NEW YORK, Nov. 25.—A special to a
local paper from Lynn, Mass., says:
James J. Corbett in an interview to-day
said: "I am disgusted with the entire
business and henceforth will confine my
enterprises to the stage. No matter
what the public may say, whether it be
complimentary or otherwise, I cannot
be induced to again enter the arena."
"They may say that when I whipped
Sullivan he was an old man and that I
never whipped a good man in my career;
but I am fully determined in my pur-
pose to quit. I suppose the public
blames me for not pulling off the fight
with Fitzsimmons, but I am not dis-
posed to answer any criticism and will
not discuss it."

"I bestowed the championship upon
Maher because he is an Irishman and
because I prefer he should bear and de-
fend that title rather than place it in
the custody of either an Australian or
an Englishman. Up to the present I
have declined to give my reasons for
recognizing Maher, but you can print
that as coming from me."

"I consider Peter Maher the peer of
any man in the ring, and have no hesi-
tancy in saying that he can whip Fitz-
simmons. He is a great man, and he
will one day demonstrate his right to
bear the title of champion of the world."

A Wedding in Diplomatic Circles.

LONDON, Nov. 25.—The marriage of
Lieutenant Commander W. S. Cowles,
the United States naval attaché, to Miss
Roosevelt, sister of James S. Roosevelt,
secretary of the United States embassy,
took place at St. Andrew's Church,
Westminster, at 2:30 p. m. to-day. The
Rev. Hon. James Northcote officiated.
The Austrian naval attaché was the
best man. Mr. Carter, Mr. Bayard's
secretary, and D. A. Wells, of the United
States embassy, were the ushers. Among
the guests were the United States am-
bassador, Thomas F. Bayard, and Mrs.
Bayard; the United States consul gen-
eral, Patrick A. Collins, and Mrs.
Collins, several of the naval attachés,
and a large number of Americans.

Chief Engineer Leach Relieved.

WASHINGTON, Nov. 25.—Another of
the senior officers of the naval engineer
corps has been broken down from overwork.
A telegram was received at the Navy
Department from Mare Island to-day,
saying that Chief Engineer R. R. Leach,
of the United States steamship Boston,
has been condemned by a medical board
and requesting the assignment of
another chief engineer to the ship.
Chief Engineer Leach has already been
relieved twice this year on account of
ill health, once from the Castine and
once from the Alliance.

Will Be Commuted.

WASHINGTON, Nov. 25.—By direction
of the State Department United States
Consul Burke, at Chihuahua, Mexico,
has been investigating the case of Mac
Stuart, who according to the news dis-
patches, was arrested for shooting a
policeman, or soldier, in a public
square and sentenced to death. The
consul reports that the sentence un-
doubtedly will be commuted to im-
prisonment for twenty years and that
this may be reduced to seven years by
good behavior.

Children Burned to Death.

NEW YORK, Nov. 25.—Mrs. Wm. Col-
lins, occupying a flat in West Tenth
street, left her three children locked in
the rooms while she went on a short
errand to-day. In her absence the chil-
dren made a fire on the floor with some
newspapers, their clothing became ig-
nited and Lillian, five years old, was
burned to death, while Willie, ten
months old, was so badly injured that
he died to-night. The third child, four
years old, was only slightly burned. The
fire did only a few dollars damage to
the building.

Smith Still the Champion.

MEXICO CITY, Nov. 25.—Great crowds
went to Pachuca yesterday to witness
the fight between Smith, the champion
of Texas, and Clark, a negro. Smith
whipped Clark in four well fought
rounds. There was an exciting distur-
bance in the bull fight here this evening.
They were disappointed in the tame-
ness of the bulls brought out and cre-
ated quite a stir by hurling boards at
them, but they were finally quelled by
the police.

The Vessel's Release Ordered.

WASHINGTON, Nov. 25.—In view of the
statement from the deputy collector of
customs, at Lowes, Del., to the effect
that a thorough search has failed to
discover arms, ammunition or men on
board the John W. Foster, the Secre-
tary of the Treasury to-day ordered the
vessel's release.

More Changes in Peru.

LIMA, Nov. 25.—The cabinet of the
prefect and sub-prefect has resigned.
The successors have not yet been indi-
cated.

THE United States Government re-
ports show Royal Baking Powder su-
perior to all others.

NO MATERIAL CHANGE AS YET

**Condition of Affairs in the Ot-
toman Empire.**

Matters More Tranquil in Anatolia, But
All Danger is Not Over—Minister Ter-
rell Said to be Watching American
Interests Closely—The Porte Objects
to Additional Warships in the Bos-
phorus.

CONSTANTINOPLE, Nov. 25.—From
what can be learned here it would seem
that the situation in Anatolia appears to
be much more tranquil than for some
time past, and there is no doubt that
efforts are being made to maintain
order in the districts where disturbances
are threatened and to suppress disor-
ders where outbreaks have occurred.
All danger is not passed, however, even
in Anatolia.

The governor of Hadjin, who had
threatened to burn the convent there
and set fire to the barley fields in the
vicinity, has, owing to the strong repre-
sentations made to the porte on the sub-
ject by Mr. Terrell, been recalled, and
his conduct will be inquired into.
The members of the American colony,
as well as other foreign residents of this
city and vicinity, join in praising the
energetic and effective action of Mr.
Terrell under very trying circumstances.
There seems to be no reason for doubt-
ing that his representations to the porte
have been the means of saving Ameri-
can lives and protecting American
property.

The question now being discussed be-
tween the porte and the representatives
of the powers is that of adding four ex-
tra guardships to the little foreign
fleets in the Bosphorus, Great Britain,
Italy, Russia and Austria demanding
armies to pass through the Dardanelles
of an extra gunboat to be attached to
their respective embassies. Although
the demands were made over a week
ago, on the ground that the foreign
population of Constantinople needed
this additional protection, the sultan
still holds out in his refusal to grant
the required permission.

From the highest authority The As-
sociated Press is enabled to give the
view of the case taken by the Turkish
government. It is as follows: While
admitting that the powers possess the
treaty right to have two guardships in
the Bosphorus, the porte considers that
the proposed increase of the number of
foreign war vessels there, under the
present condition of things in the
Turkish empire, might excite the Mus-
sulemans and produce an effect far
from the one desired by the powers. In
addition, the porte points out, that in
view of the measures taken to preserve
order here an increase in the number of
guardships attached to the embassies is
not required.

The absence of news from Zeitoun,
which the Armenians are still said to
be holding in strong force and the failure
of the government to furnish any
information regarding the concentra-
tion of Turkish troops at Marash for
the advance on Zeitoun, is causing some
uneasiness. Besides, no news is ob-
tainable concerning the rising of the
D
